The Confucius Institute classroom at Portage Central High School provides Chinese cultural lessons on a variety of topics, such as history, geography, culture etc.

We also started a Chinese Language and Culture Club in 2014. We offer Chinese Language and all kinds of Culture activities like paper-cutting, Calligraphy, Chinese painting, Taichi, Chinese Knot, Chinese chess etc. We meet once a week, and the meeting lasts about one hour each time.
And we started the IB Chinese class in 2012, and it’s one hour a day. It’s offered to students in advanced language level.

Meet our teachers [2]
